Please have a conversation with your child about ways to avoid possible contact such as, sharing brushes, combs, laying on others pillows etc. Parents please understand that camp life is more intimate than school or other routine activities, don’t send your child to camp knowingly having headlice!

Bed Bugs

Bed bugs are becoming an epidemic in America. Please do your online research about this. You will find that bed bugs can be picked up literally anywhere and transported! We do a very good job in treating our facilities but, this may not stop an incident. Your child’s belongings need to be properly treated before arrival and after getting home. Registration and Financial page

For over fifty years Camp Maranatha has provided week long adventures for area children, nurturing and sometimes planting their relationships with the Lord through fun, fellowship, and exuberant presentation of the Gospel. These experiences have been made possible through the generous support of churches and individuals that share our vision for reaching kids for the Lord.

Over the years, Camp's expenses have continued to grow - utilities, food, insurance, and compliance with increasing State and Federal regulation, to name a few. Local churches have faced the same financial challenges, and thus are not able to continue a level of support in line with rising costs.

We need your help in filling the gap as Camp Maranatha continues growth in this most vital ministry. We ask for your partnership in helping perpetuate Camp's mission. It costs approximately \$300 to provide one week of camp for a child. Registration fees will cover almost some of these costs, and we attempt to cover the remainder of the costs through donations. Please consider contributing to Camp for any amount to help cover the costs of camp for your child. Please do what you are able.
